Theme

The history, growth, and character of Saugerties have been determined largely by ships. With Henry Hudson's voyage in the *Half-Moon* began the opening of the river valley by sturdy Dutch settlers. *The Lady Washington* and her sister ships helped make the Hudson American during the Revolution. Hudson valley sloops brought the Irish north from New York and with them, the brick-making and tanning industries. Argentine and Brazilian ships brought hides to the docks of Saugerties and Kingston, and market ships carried the produce of area farms to New York.

The advent of the steamboat brought more settlers to Saugerties. Many who viewed the majesty of the Catskills from the day liners returned to become permanent residents. The village had its own liner, *The Airline*, whose run covered Saugerties to Tivoli. *The Mary Powell*, the best-loved of the great steamboats, was the pride of Kingston.

Today, the shipping industry still plays an important role in valley commerce, as was brought to mind by the rescue of the many Spanish ships in the ice-jammed Hudson last winter. We have chosen ships as the theme of the 1962 SAWYER because of their importance in the growth of Saugerties.

SAUGERTIES HIGH SCHOOL

Never before has the SAWYER staff dedicated a yearbook, but this year's SAWYER is an exception for an exceptional teacher. Her thirty-three years of teaching, twenty-eight of which have been in Saugerties, years of dedication to her profession, her unstinting, unquestioning surrender of hours beyond the call of duty to the cause of sharing her love for mathematics with young people in her classes, her relentless insistence upon standards not far from perfection, her personal interest in every student in every class year after year, her indefatigable persistence in obliging each student to work to the utmost of his ability—all these are reasons this year for our dedication of the SAWYER with great respect, sincere admiration, and enduring affection to

MOVING-UP DAY TRADITION OBSERVED

On behalf of the Juniors, President Al Hrdlicka wishes luck and success to the Seniors.

Moving-Up Day has become a tradition at Saugerties. At a special assembly on the last day of classes, the seniors formally mark the end of their attendance at school. Following the singing of their class song the seniors vacate their seats in the front of the auditorium and move to the back. The juniors then file into their new seats and answer the seniors with their song. The activities of the day are concluded with the distribution of the SAWYER.

Ron Smith directs the Juniors as they sing their good-bye song to the Seniors.

SENIOR SONG
TUNE: YOU'LL NEVER WALK ALONE

As we go on our way,
With our future bright,
You will always live in our hearts;
And we hope though we're gone
That your lives will be blessed
With such friends as we've made in these years.

The classes, the games, the fun and the fame
That we'll never see again
Live on, live on, live on in our hearts
And they'll never, never end, they'll never
never end.

JUNIOR SONG
TUNE: ON THE STREET WHERE YOU LIVE

Now it's time to say our good-bye to you
And from everyone of us there come a fond adieu.
We've had lots of fun, with you, '61.
And we'll miss you the most when you're gone.

We have often walked through these halls before
But you Seniors will not be here with us any more
Oh, how time does fly, but now we won't cry
Knowing you're on the road to success.

Senior Class Pres. Roland Mayone bids farewell to the Juniors.

The Senior Class sings their song to the Junior Class.

Anticipation shows on the faces of these students as Pat and Al distribute the 1961 SAWYERS.

SAWYER AUTOGRAPH DAY

Following formal Moving-Up Day ceremonies, the SAWYER staff mounted the auditorium stage to be introduced and presented with their copies of the new yearbook. Patricia Sasso and Patricia Mayone, the 1961 editors, presented Miss Larned with an engraved silver plaque in appreciation for twenty-five years of service at Saugerties High School. The editors expressed their thanks to the other faculty members who assisted in the SAWYER'S preparation. Distribution of the students' copies followed, and then everyone divided his attention between examining and autographing the new yearbook.

Scanning and signing the SAWYER absorbs the student body.

EDITOR-IN-CHIEF Pat Sasso addresses the assembly.

On behalf of the SAWYER Staff, editors Pat Sasso and Pat Mayone present Miss Larned with this lovely gift for her years of service at S.H.S.

JUNIORS AND SENIORS ENJOY

The Trio became the main attraction of the morning.

Golfer??

A lively game of cops and robbers breaks out on the school lawn.

The Senior Frolic, held on the day of the Junior-Senior Picnic, is the final fling in high school. The seniors, dressed in appropriate clothing, traveled back to their childhood days. While the girls played, the senior boys protected their island, the center lawn, from the hostiles.

Seniors revert to a childhood pastime.

ROLIC BEFORE THEIR PICNIC

Genius?? Yes??

The Senior boys rally 'round their flag.

ors.

The great battle was the highlight of frolic. All the fun remained in their hearts as they went on to the picnic, the moment of relaxation before gradua-

Ron's music draws the girls.

The Senior girls romp on the front lawn.

Ginny, Dorie, Maureen, and Janet pose by the beach.

JUNIORS HOST SENIORS AT PICNIC

Four seniors relax near the water's edge.

Following the activities of Senior Frolic, the picnickers travelled to Trnka's for the annual Junior-Senior picnic. The Juniors defeated their Senior guests in the traditional softball game. The classes then cooperated in devouring the cake and soft drinks. Mr. Cunningham distributed letter awards for the year's activities. During the day swimming, sunning, and autographing the SAWYER were popular among the picnickers. The picnic marked the end of the Senior year social whirl for the guests, but for the Juniors it was only the beginning.

Arrayed in fancy togs, Lucy and Ginny enjoy the swing.

Swing your partner!

Sandy, Susie, and Eileen pause on the diving board at Trnka's.

PICNIC AT TRNKA'S ENJOYED BY CLASS OF '63

The Sophomores ended their school year with a picnic at Trnka's. Swimming, softball, and dancing were enjoyed by all. After the presentation of awards, the tired students, filled with wonderful memories, boarded their buses for home.

Picnic fun centers around the SAWYER.

These picnickers seem to enjoy relaxing on the beach.

Picnics are fun, but not when it's too cold!

Freshmen look on as Darleen feeds the dog.

CHILLY PICNIC HELD BY CLASS OF '64

The Freshmen enjoyed their annual picnic at Trnka's in spite of chilly weather. There was a softball game, dancing, and, for a few brave souls, swimming. The picnic marked a final moment of relaxation before last-minute studying and final exams.

Those hot dogs look good enough to eat.

CLASS OF '65 ENJOYS PICNIC AT CANTINE'S

Bob douses the girls with his water pistols.

Mr. Estes.

The Eighth Graders picnicked at Cantine's Field early last June. They played softball and tennis and relaxed before the strain of final exams. They received letter awards and autographed the SAWYER. The picnic lunch was quickly devoured, and then everyone trudged home weary but happy.

SAWYER autographs are the order of the day.

CLASS OF '66 ENDS YEAR WITH PICNIC

These elated Seventh Graders cheer for their team.

To mark the close of their first year in Junior High School the Seventh Graders enjoyed their class picnic at Cantine's field. The softball game was the highlight of the day. Fun was enjoyed all around.

The ump calls an out as Mr. Wilcox tags Mr. Redder.

Students seem engrossed as their teachers play ball.

These girls enjoy a game of "London Bridge."

Everyone enjoys dancing in the oriental atmosphere.

GALA SENIOR BALL HAS ORIENTAL THEME

The Senior Ball is one of the year's most formal and gala occasions. The theme of the 1961 Senior Ball was "Sayonara." The gym was gaily decorated with Japanese lanterns, multi-colored balloons and a screen in the center of the floor, decorated with Japanese motif.

Presented by the Seniors, all classes are invited to attend this glittering formal occasion. On this magical night the Prince Charmings are attired in their finest and the Princesses are arrayed in beautiful, bubbling gowns that help to add a touch of fantasy to this wonderful evening. With these students are members of the faculty who also seem to enjoy this merry occasion.

The Senior Ball is the most anticipated social event of the whole year. This great festivity is worth all the preparations that many put into it. Happy memories of this glorious occasion will linger with the students for many years to come.

Souvenirs of the dance are admired by these happy couples.

These three couples will preserve their memories of this gala event with snapshots.

PATRICIA BREEN, Managing Editor

MISS A. FRANCES LARNED
Advisor

This year, as in each of the past thirty-eight years, the editors of our SAWYER have worked to produce a memorable yearbook. Each individual staff has contributed its finest work. The organization and write-ups were handled by the editorial staff. The art staff has supplied an attractive portrayal of the theme. The financial success of the SAWYER is the result of hard work by the advertising and business staffs to sell space and to promote the candy sale. The SAWYER for 1962 is the product of the combined efforts of each and every staff member and faculty advisor.

The Esopus Council represents the student body of Saugerties High School. The council, consisting of two representatives from each homeroom, meets once a month. At these meetings, the students discuss and present solutions to problems concerning the school and pupils.

Many problems are referred to various committees set up by the council. The "Pupil Morale" committee proposed a pep rally to boost the school's team-spirit. Another committee solved the problem concerning traffic in the halls between classes. The "Guides" was formed to control the flow of student traffic. The problem of a new bulletin board was solved by the particular committee assigned. The council also plans the school's entertainment for the following year.

EXCHANGE TEACHER VISITS SAUGERTIES SCHOOLS

During the latter part of January and early February, the Saugerties Central School System was honored by a visit from Miss Florence Sterling, a Fulbright Exchange Teacher from Rangoon, Burma. Miss Sterling, a teacher of English, visited classes, conferred with school officials, addressed the student assembly, visited business concerns in the area and was a guest in several homes. Her friendliness and warm personality made her popular with both students and faculty. It was a pleasure to have had her as a guest in our school system.

MUSIC

P. DAVIS

MUSIC DEPARTMENT PRESENTS *A WALTZ DREAM*

In the spring of 1961, the Saugerties High School music department presented *A Waltz Dream* by Oscar Straus. The operetta related the courtship of Niki, a humble lieutenant, and Helene, daughter of the king of Sylvania. The marriage was proposed to please the populace and to obtain a loan for the treasury.

The marriage was not accepted by Niki and Helene. Helene loves Rupert, who is exiled. Niki loves Kay Robinson, an American artist. The solution to these problems was presented in the operetta.

The delightful story and the songs sung by the students made the evening a tremendous success. Although the students spent many long nights in rehearsal, they felt that the results justified their efforts.

LEFT TO RIGHT: M. Fuzo, A. Wodischeck, R. Smith, S. Bonavita, A. Sasso, R. Reissler, G. McLaughlin, L. Sasso, R. Shapiro, D. Crawford, L. Gardner, J. Pakanen, A. Patryk, B. Kellerhouse, P. Matthews.

Patricia Sloboda, Tage Haun, Stuart Crank, and Janet Schlenker pose for a portrait.

Larry and Wayne finally catch Jeanne and Kris.

Terry and Barbara discuss Sylvania's annual deficit while the others listen.

Members of property department adjust the scenery.

ATHLETICS

ATHLETES HONORED AT ATHLETIC BANQUET

The 1961 Athletic Banquet was the second banquet held in our new school. The formal gathering of the athletes and their parents was well attended, and genuinely enjoyed.

The guest speaker, Angelo Bertelli, was an outstanding, All-American football great from the University of Notre Dame. Our own Coach Straub was the master of ceremonies, and Dr. Grant D. Morse once again addressed the parents and explained the importance of athletics to our daily lives.

Succeeding the formalities of the program, the letter awards were presented, and Bill Schirmer received a trophy for his outstanding performance on the 1960-61 basketball team. The trophy was donated by the SAUGERTIES DAILY POST.

Everyone seems to be enjoying the excellent meal, and the beautiful decorations made by the cheerleaders.

Dr. Morse presents co-captain Robert Francello with his letter for football.

Coach Straub and Mr. Bertelli congratulate Russell Talmadge as he receives his football award.

Coach Straub thanks Mr. Angelo Bertelli for addressing the athletes, their families, and friends.

Miss Reime and the varsity cheerleaders admire the trophy they won in the sectional tournament.

TRACK TEAM HAS SUCCESSFUL SEASON

The well-trained Sawyers proved to be very capable by losing only one dual meet and placing second in the D.C.S.L. meet. The team was expected to be inferior to last year's squad because of the loss of several key men, but proved definitely to be excellent.

Jerry Dungey, once again, led the team in individual points, and he also tied the school record for the 100-yd. dash. Rich Reissler and Rich Giannotti both set new school records in the 180-yd. low hurdles and the broad jump, respectively. Russ Talmadge was an outstanding performer in the half-mile and the pole vault. John Guagnano set his own pace in the 440, while Ken Brink diligently handled the shot-put. The fine team spirit and the excellent conditioning proved to be the most important factors for the 1961 track team's success.

Russ Talmadge prepares for the pole vault.

Jerry Dungey "gets set" for the relay race.

CHEERLEADERS ENCOURAGE SCHOOL SPIRIT

The Varsity and Junior Varsity cheerleaders have done much to encourage and support the team. They have led the students in cheers and enhanced school spirit. Under the direction of Miss Reime and Lynn Broome, the girls and their mascot, Linda Myer, practiced many hours before each game.

Each year our cheerleaders spend a great deal of time planning and decorating for the Sno-Ball. They also help with preparations for the Athletic Banquet. It is they who sponsor spectator buses to out-of-town games.

Last year the girls won the cheerleading trophy at the Section I play-offs. Our squad was chosen as the best in both performance and appearance in competition with many other schools. This is the first cheerleading trophy that Saugerties has ever won. Our school should be proud of its fine cheerleading squad, and praise the girls for their hard work and school spirit.

VARSDITY BASEBALL TEAM HAS GOOD SEASON

The year 1961 proved to be a rather good one for S.H.S. baseball fans. The Sawyers, led by pitchers John Nolan (senior), and Keith Mills (junior), compiled a record of 11 wins and 6 losses. Bill Eckhoff and John Nolan proved to top the team with batting averages of .425 and .416 respectively. Next year will see Saugerties High as the team to beat as many of the experienced juniors return to the field.

J.V. TEAM GAINS VALUABLE EXPERIENCE

It must be remembered that baseball is a game which is played for fun and this must be especially remembered for junior varsity baseball. The young Sawyers compiled a record of one win and ten losses. They gained a much needed experience and will return next year, many of them on varsity, determined to turn the record in their favor.

SAWYERS, UNDEFEATED, UNTIED

Through the tremendous and inspiring team-work among the players and the coaches, the proud Sawyers were able to produce another magnificent football season. The Sawyers continued their unbeaten record which began in 1960, and have not been defeated in 16 consecutive games. Mainly due to the great team spirit and the willingness to play, the fighting Sawyers have again brought fame to Saugerties High School, along with the D.C.S.L. crown.

The great hard-nosed line was led by co-captain Bill Schirmer and Senior Rich Reissler. Juniors Carl Rea, Jerry Smith, Ed Gunn, and Frank Fusick with Sophomore Chuck Schirmer completed the crushing line. The well-rounded backfield, led by Seniors Lou Spada and Doug Robinson with co-captain Al Hrdlicka, averaged a scoring of twenty-eight points per game. Sophomores Rich Giannotti and Joe Ollinger were two important factors in this great scoring record.

Besides having a great offensive year, the fighting Sawyers allowed only 25 points to be scored against their 225 points. This alone illustrates the all-important desire to play that each man possessed. The second team is another important factor for the Sawyer success, for "the first team is only as good as the second team makes them."

The student body deserves a great deal of credit, for their spirit has never been more inspiring at S.H.S. than it was this year. The Sawyers hope that this all-around spirit will continue at S.H.S. and that the sensational 15-0-1 record will excel in victories.

This year saw a remarkable record for the fighting "Little Sawyers." Winning six out of seven games, they ran up 155 points with only 58 scored against them.

To sum up the season, quote Coach Seither: "Quarterback Buytkins led the J.V. attack with his passing, while ends A. Kane and E. Martin were his favorite receivers. M. Brady and D. Maines, the pulling guards, led the back through the hole while tackles G. McKenney and D. Liebergot with centers F. Dunn and T. Johnson anchored down the line. Halfbacks T. Faulkner and A. Genthner ran well to the outside while fullback G. Davis showed power up the middle."

With two undefeated seasons behind the Varsity, these boys have a tough reputation to keep. For those who are a little pessimistic, Coach Seither says, "These boys could be the meat of another good ball club."

SAWYERS HAVE A SURPRISINGLY GOOD SEASON

Much to the astonishment of the S.H.S. rooters, the 1961-62 basketball team turned out to be a much greater success than expected. Cited at the beginning of the season to be the "underdogs," the Sawyers managed to earn themselves a 14-5 record and a second place tie in the Dutchess County Scholastic League.

The proud Sawyer squad had to rely mainly on the rebounding strength of the all-league guard Bill Schirmer and the Sawyer center, Keith Mills. The backcourt men, co-captain Al Hrdlicka, Andy Jacobs, and Mike Dodig, did not excel as great scorers, but managed to spread the offensive load out among themselves fairly evenly. Although these ex-champions did not carry the league title home this year, the coaches and students can certainly be proud of their great effort and fine record.

GRAPPLERS WIN SECOND PLACE

S.H.S. grapplers had a fair season this year winning seven matches and losing five. They won second place in the D.C.S.L. losing only to Wappingers Falls. Relatively speaking, it was an inexperienced team since the previous year's grapplers had dropped out because of graduation, injury, or part-time jobs. Lacking strength in the heavier weights, Coach Seither concentrated on the lightweights with a fairly good success. Next year the grapplers will be back in full strength with a season of hard won experience.

GRANT D. MORSE, Ph.D.
Superintendent of Schools

Dear Students of Saugerties High School:

Those of us who devote our lives to public school work do so because we like the business of helping young people get an education. Most of you who have gone through Saugerties High School or who are currently students here are familiar with the experiences and skills on which we place emphasis: (1) The mastery of subject matter in order that you may have the preparation essential to success vocationally and in terms of cultural understanding. (2) The acquiring of good attitudes in your present and future life as members of a family, a community, and of our state and nation. This we try to help you do through all of your school experiences: study; clubs sponsored by teachers with rich experience and wholesome personalities; extra-class activities including music, debate, assemblies; homeroom discussions; participation in the presentation of public programs; extensive collateral reading; weekly themes; intra-school athletics; inter-school athletics. (3) Preparation either for further academic or vocational training; or else preparation for early employment through our curriculum which includes opportunities in commerce, homemaking, industrial arts.

As all of you well know, some of our shibboleths are: today's work today; effort by each one in terms of his ability; making good, not making excuses.

Cordially yours,

Grant D. Morse

SENIORS HAVE BUSY YEAR

The Senior Class has had a busy year from September through June. The first order of business was the election of officers. Preparations for graduation quickly followed. Orders for cards and announcements, pictures for the SAWYER, and measurements for caps and gowns were then taken. A brief lull in the activities followed.

This respite, however, did not last long. Soon there were preparations for the Senior Ball. The theme and band had to be chosen, and decorations had to be made. The day before, Seniors were working busily in the gym putting up the decorations.

Following the ball, Moving-Up Day and the Junior-Senior Picnic were next on the agenda. At the picnic they recalled their childhood days by dressing and acting as they did a decade ago.

After all the fun and frolic of the picnic, it was but a short jump to the very serious moment of graduation. This is the moment they had been awaiting.

SNO BALL ADDS GLAMOR

Several couples enjoy dancing to a fast number.

John and Donna dance near the lovely centerpiece.

The theme of the 1962 Sno Ball was "Fantasy In Frost." This gala event was sponsored by the cheerleaders of Saugerties High. After several weeks of excitement and preparation, the cheerleaders decorated the gym. By evening the gym was transformed into a frosty, shimmering spectacle. Stretched across the ceiling of the gym were miles of silvery, icy streamers. To add to the silver fantasy was a majestic silver deer and silver tree in the center of the gym. Pictures taken in front of an appropriately decorated background provided perfect souvenirs. The music of Ferraro's band added the finishing touches to this exciting evening of "Fantasy In Frost."

These couples pause to watch the festivities from their table.

Moments of conversation add fun to the evening.

TO THE WINTER SEASON

Everyone enjoys "Fantasy in Frost."

Marge and Jack pose for a picture to preserve the memories of the ball.

Cheerleaders serve refreshments during intermission.

Bob, Bootsie, and their dates pose for the photographer.

Three couples enjoy time-out between dances.
